April 2015 Newsletter

Although the weather forecast may have kept some light aircraft away twenty four planes and forty one guests enjoyed what were perfect morning conditions. Fortunately the weather change came in next day.

Pat seems very happy with her new accommodation after the bush fires.

We now have a new caretaker who started on Monday; welcome Ron.

Anzac Day was remembered with eight planes, two from Southport and the rest from Heckfield. They did a good job with good weather clear skies and no wind. Thanks to those who attended and flew. Looking forward to our next great Breakie and fly-in on the 16th May. Fly Safe.

Don't forget there are more great plane photos by Dave Wilson from this event and all others. In the gallery. Latest viewed from the left arrow. See you on the 16th May 2015
