## August 2015 Newsletter

Another winter's beautiful morning with clear blue skies until 10:00am then some cloud made for a great breakfast fly-in.

We had thirty aircraft and forty six guests. We also seem to be having new people with each breakfast and that is very reassuring and rewarding for the hard workers and the club.

Doug and Joan were away in NSW and Shad had the flue so tireless Rod cooked the BBQ. Once again of special note was the immaculate condition of the strip (drying out a little now with lack of rain) and gardens and surrounds. A credit to Ron our caretaker.

No people photos this time but enjoy some of Dave's great aircraft photos from this event below and also of course in the gallery. If you click on the back arrow it will take you to the latest photo and you can do this going back for many years. Enjoy.
