July 2017 Monthly Newsletter

The May fly in was cancelled due to unfavorable weather and the June fly in was called off at the last minute due to the tragic death of our long term committee member and friend Doug Braund in an aircraft accident.

All were shocked and saddened by this tragic news. Doug and Joan have attended every "breakie" for years and have been tireless helpers. Joan, her three boys, grandchildren and extended family are in our thoughts.

Our July fly in went ahead as planned with thirty four visiting aircraft and sixty guests enjoying our legendary breakfast and lovely weather.

Many thanks to all the helpers whose hard work make these mornings so enjoyable.

Remember you can go to the gallery tab on our website home page and click on the reverse arrow to scroll from the latest of several hundred great air photos from Dave Wilson.

You can also reminisce by opening all our past Newsletters by Month or year from the home page.

Hope to see you all at our next monthly Breakfast on the 19th August 2017. Fly safe.
