November 2011 Newsletter

Well the great weather that had been forecast for the day a week prior *did* eventuate and enticed a record fifty six aircraft to our November Breakie fly in with eighty three breakfasts enjoyed! This made up some for the disappointments of bad weather during the year.

Aircraft consisted of 37 VH and 6 RA registered fixed wing as well as 3 helicopters. Many aircraft came from Southport as their newly formed social club made this their first exercise. One even flew from Lismore.

Although the skies over the field had their crowded times, good airmanship resulted in orderly and safe arrivals and departures.

We hope to see you for our combined December Christmas Breakie fly in on the 17th December. Fly Safe.
