## February 2011 Newsletter

Well after some very problematical weather the last few months and after two fly in cancellations we finally did it for the first 2011 Breakie.

We had 43 aircraft and about 60 people enjoying fly-ins greatest breakfast.

I'm sure many of us are eagerly awaiting the end of the monsoon season and looking forward to the clear blue skies of our mild winters.

We decided to bring the Breakfast times forward by 30 minutes to 8.00am -9.30am instead of 8.30 to 10am. This may result in a more even load for the cooks and the late arrivers. We can easily revert to the later times for winter if necessary. As well the cost per breakfast has now gone up 5\$ to \$20 and unlike \$5 of Avgas these breakfasts will keep you going all day!

Our Website Photo Gallery is always being updated after each fly in so check it out to see brilliant photos by Dan Wilson.

Don't forget you can order any photos of your beloved plane from Dan as well as purchasing the latest (2010) photo Album.

Hope to see you all in March
