June 2012 Newsletter

What a stunning day! In perfect weather about one hundred people attended in **forty three aircraft**. Seventy four full breakfasts were served and enjoyed and, as usual, the hard working members led by Pat did a marvellous catering job.

Even with the large number of aircraft attending (we must have been the busiest airport in Australia at one stage!) good airmanship ensured that all ran smoothly.

Enjoy the people photos and the great aircraft shots taken on these pages and of course in the Photo Gallery of our website.

See you all in July and Fly Safe,
Ken Cox
