## October 2012 Newsletter

Another great morning at Straddie. Our Saturday fly in on the 20<sup>th</sup> October saw a spectacular attendance of forty eight aircraft with seventy three of our legendary breakfasts served.

Congratulation to the catering crew and to Pat!

Moderate Northerly winds that caused some turbulence on late finals for runway 33 proved not to be a problem. The usual beautiful scenic sight of the city CBD over Moreton Bay from our planes was lost due to smoke haze but still an enjoyable experience.

Above: Our Breakfast 20<sup>th</sup> October 2012. About 80 people in attendance from 48 aircraft.

Enjoy some photos of this event on the following pages and of course the many photos, especially the aircraft ones, by Dave Wilson in the gallery on our web page.

Remember you can order any of Dave's photos or an album of them from Dave and of course any of our group photos from the club.

See you all in November and fly safe.
